ABOUT THE ORGANIZATION

Youth For Christ (YFC) reaches young people everywhere, working together with the local church and other like-minded partners to raise up lifelong followers of Jesus who lead by their godliness in lifestyle, devotion to the Word of God and prayer, passion for sharing the love of Christ, and commitment to social involvement.

Youth For Christ USA, which began in 1944, is currently represented in 1600 ministry sites across the United States and is part of the worldwide movement - Youth for Christ International.

Every day at thousands of community centers, high schools, middle schools, juvenile institutions, coffee shops, and local hangouts, YFC staff and volunteers meet with young people who need Jesus. Our focus as a movement is on multiplying fruitful and sustainable ministry sites across the nation and around the world.

3Story® is our brand and living operating system. It is a way of seeing how our relationships with other people and God can be connected and grown. 3Story® is not an evangelism tool or method. It is who we want to be and how we want to live. It is the "DNA" of Youth for Christ-- A way of life that guides followers of Christ to be good news while telling stories of the good news.
